Color Essence Series Autumn / Winter 2012/13

18 months ahead of the season, these color cards contain important basic information concerning the color moods, and therefore deliver the key for your early and individual color concepts. They are published for the areas of women's, men's and children's wear, as well as sportswear and interior.

Four color themes are described in each issue, illustrated by original Cotton Swatch Card stripes of the PANTONE® FASHION + HOME Textile Color System as well as by inspiring collages and brief but concise comments (English).

Highlights:

- User-friendly and compact format
- Early color information approx. 18 months ahead of the season
- 4 color themes including 7 trend colors each, printed and with PANTONE® FASHION + HOME color reference
- All trend colors in removable packages containing original PANTONE® Cotton Swatch Card Stripes (approx. 2,5 x 11 cm, double-layered), sorted according to the themes
- Brief, concise trend descriptions per theme
- Inspiring theme collages
- 24 hour service for further order of the color stripes or other swatch sizes at www.modeinfo.com
