PANTONE PLUS Pastels & Neon Guide coated & uncoated

Meet the Demand for Specialty Colors.

Keep up with the growing demand for specialty colors with our new PANTONE PLUS SERIES PASTELS & NEONS.

Select from 154 soothing pastels whenever softness or subtlety is called for, or specify from a newly expanded range of 56 hot neons to add pop and vibrancy to your designs.

Colors are arranged chromatically. Ink mixing formulas are provided. Compatible with today's digital workflows.

Text weight paper is used, to match popular print specifications. Includes lighting evaluation tool and design software. Coated and uncoated stocks together in one convenient guide.

ArtNr.: PPPNG

Price:
79,00 EUR (excl. VAT)

(Prices are subject to change without prior notice)

Features:

- Broad palette of 154 pastels and 56 neons
- Chromatic arrangement
- Each color identified with a distinct PANTONE Number
- Easy-to-use, portable fan deck format
- Ink mixing formulas
- PANTONE COLOR MANAGER Software for updating PANTONE Colors in popular design applications
- Includes ColorChecker® Lighting Indicator to aid in lighting evaluation

Benefits:

- Contemporary, market-driven color palette
- Color selection and specification in one convenient publication
- Chromatic layout makes it easy to locate the desired color
- Eliminates errors in ink mixing by providing formulas
- Colors bleed for ease and accuracy in checking "on press"
- Digitally compatible
- Included lighting indicator tool determines if lighting conditions are suitable for accurate color selection and matching
- System supported by worldwide network of PANTONE Licensees
